**President's Circle Members Announced for 2017**

*Top Tabs3 and PracticeMaster Resellers Earn Prestigious Recognition*

**Lincoln, Nebr. – January 16, 2017** – Today Software Technology, Inc. announced the members of the 2017 President's Circle for Tabs3 and PracticeMaster software. President's Circle members are selected annually based on their expertise with Tabs3 and PracticeMaster software, their strong client relationships, and their sales.

“Congratulations to all 2017 President's Circle members,” said Dan Berlin, President and CEO of Software Technology, Inc. “Members of the Tabs3 President's Circle work hard to understand the needs of their clients, and offer appropriate solutions to problems. Proficiency in Tabs3 software is essential, but these individuals also bring a working knowledge of all technology applicable to a modern law practice, making them an indispensable asset to their clients. We appreciate their continued contributions to helping Tabs3 and PracticeMaster users get the most out of technology in their offices, and all that these resellers and consultants have accomplished this past year.”

**About Software Technology, Inc.**

Software Technology, Inc. (STI), the maker of Tabs3 and PracticeMaster software, has been at the forefront of developing software for law firms for over 35 years. Tabs3 is one of the most widely used legal-specific time and billing products in the United States and has been an industry leader since its introduction in 1979. Tabs3 is designed to seamlessly integrate with PracticeMaster, a leader in practice management software. Among its many features, PracticeMaster provides an easy way for firms to create a firm-wide calendar, search for conflicts of interest, organize case and contact information, and manage email and documents.
