Tabs3 Software Places First in Three Categories in “The Best – 2017” Survey

Tabs3 wins first in Time & Billing, Matter Management, and Docketing & Calendaring categories

Lincoln, NE – September 6, 2017 – Today Software Technology, LLC, the maker of Tabs3 and PracticeMaster, is excited to announce its performance in “The Best – 2017” *Connecticut Law Tribune* survey. Tabs3 software placed first in three categories: Time & Billing, Matter Management, and Docketing & Calendaring Software.

“The Best – 2017” is a part of the ALM Media community and recognizes which legal service providers are the best at what they do. “It measures the loyalty and satisfaction readers have with vendors,” says Wayne Curtis, *Connecticut Law Tribune* Publisher. “It is an opportunity for readers to speak up for those providers they believe are the best.” The *Connecticut Law Tribune* is read by not only the Connecticut legal market, but also thousands of readers in the New England area.

“We are thrilled to be recognized by attorneys in the New England legal community. For over 35 years, we have worked hard to develop reliable and quality software for law firms,” said Dan Berlin, President and CEO of Software Technology, LLC. “This kind of recognition from our clients means a great deal to our entire team.”

Tabs3 software makes it easy to get your bills out quickly and manage the business side of your firm. Coupled with exceptional technical support and more than 35 years of experience in the legal industry, Tabs3 software sets the standard for time and billing, practice management, and financial software.
